Handbook of Operations Research and Management Science in Higher Education
Editor: Zilla Sinuany-Stern
in
Springer's International Series in Operations Research and Management Science

The Handbook will cover applications of Operations Research (OR) and Management Science (MS) in the management of Higher Education (HE) at all levels: departmental, institutional, and national. We welcome applications and literature reviews of OR/MS in HE in areas such as: strategy, budgeting, resource allocation, facility planning, faculty planning, performance, scheduling, efficiency, quality assurance, international comparisons, and ranking. All OR/MS methodologies applied to the management of HE are acceptable, such as: optimization, decision analysis, forecasting, simulation, and game theory. Original papers with review of the relevant literature and applications are welcome. The papers will be refereed.

Potential contributors are welcome to contact Zilla Sinuany-Stern via e-mail to: zilla@bgu.ac.il ASAP.
